 - Preparing appetizers and desserts on the kitchen line
 - Learned a lot about the values hard work and bearing responsibilities/operating in the real world

Extracurricular Interests:

- Computer Programming – I have been extremely interested in and passionate about computer programming my whole high school career, creating and pursuing various self-directed projects. I plan to study computer science in college and hopefully pursue it as a career after college. I recently completed an *Interactive Resume* application that I released on the Google Play Store. I am currently working on another project which is an

evolution simulator.
